

Yacht rental **BAROLO III**

Long term rental or day trip? Stavanger Fjordcharter offers both. The amazing scenery around us in Rogaland, and either south or north along the coast, allows us to create unforgettable experiences on our luxury yacht.

The clean, dynamic lines of the 21 Metre complement an innovative interior design. At first glance, the deck saloon, with large dinette and well-equipped cocktail bar, is a supremely inviting space, with sumptuous upholstery and exquisite joinery. The triple glass sliding doors to the cockpit create a vast entertaining area, with subtle lighting and a surround sound entertainment system. The spacious rooftop saloon can be enjoyed in fair weather occasions.

Three spacious double staterooms all have en-suite bathrooms with roomy stall showers. There's an additional twin guest cabin to port and a twin berth crew cabin aft for use as additional guest quarters if required.

Length:	21,53 m
